## Introducing myself

Class: 2C Name: Lam Tsz Yuet

My name is Elsa. I am a Christian. I am seven years old. I have small eyes and a big head. I live in Tuen Mun. My school is also located in Tuen Mun. I go to school by taxi. My only sibling is my sister. Bella is her given name. I like praying for chatting with God every day.

I like painting different cats which are my favorite animals God created. I could paint them for days and never paint the same one twice. They come in a variety of colors, ranging from black to gray to orange to brown to white. What a wonderful creation!

Ballet and Latin dance are two other things I enjoy doing. Regular dancing can improve my health. It helps me maintain strong bones, improve posture and muscle strength, and combat stress. Thank God for giving me a flexible body for praising Him through the beautiful posture of dancing.
