

喜筵 BRAVO EXPRESS

⇒ Welcome to Storyland! ⇐

第 33 期 7 月

To battle the boredom caused by various COVID restrictions, LCKPS has decided to introduce a brand-new program that encourages our students to learn English while having fun. The aptly named Storyland was themed around Aesop's Fables, students had the chance to participate in book sharing and create artworks, and they had the opportunity to go to school dressed up as their favourite book characters. Let's take a glimpse at some memorable moments of this event.

Most Impressive Performance

The Boy Who Cried Wolf

4C 恩樂

I was nervous throughout the shooting as many cameras were in front of me. I was shaking. Sometimes I did something wrong. Luckily, the cameraman comforted me and told me it's fine to do it again. I enjoyed the acting very much and all of our team members played together happily.

I look forward to joining more English drama acting in the coming days!

4C 恩樂家長：

看完短片後，認為小朋友很用心演出，亦很生動，感謝老師揀選恩樂演出。謝謝！

4C 李詠晴

This is my first time performing a play in English, so I was a little nervous at the beginning. But with the encouragement of my teachers and classmates, it was a successful performance. However, I was a little disappointed with this performance because I failed to show a very angry expression when acting as one of the villagers. I hope I can keep up the good work and look forward to the next performance.

4C 李詠晴家長：

詠晴在練習過程中遇到不少困難，她不放棄，還不斷地用不同的方法嘗試，確令我深深感動。

4C 李樂晉

I played the role of Big Bad Wolf this time. I was both excited and nervous. The excitement was that I could participate in an English drama while the nervousness was that this role had to act viciously and memorize a lot of lines. It was really not easy. I will try my best to let everyone see a big bad wolf.

4C 李樂晉家長：

參演英語話劇令樂晉既開心又投入，他努力背台詞深深感動了我，謝謝老師給予的經歷和教導。

4C Lee Tsz Tung:

This is the first time I have participated in an English drama, and I am very nervous because I have to read a lot of characters. I am worried about mispronunciation and memorizing lines. Luckily there was nothing wrong with the show. When I finished my homework, I took the script out and read it. The teacher told me to read with emotion, so I worked hard on my practice. On the day of the recording, we practiced repeatedly. When we were very proficient, the photographer informed us that the recording would be postponed to July 5. That's fine, so we have more time to practice. I was very impressed with this drama acting.

4C 李芷潼家長：

在和芷潼一起練習過程中讓我感覺她突然懂事了，長大了。我深信這是老師、學生合作的結晶品。

4C 司徒永羨：

Acting is tough because it requires us to memorize numerous lines and pay attention to the tone. When practicing, I often either forget the tone or the words. After I master both, the teacher asks for the corresponding action. As the old saying goes 'One minute on the stage needs ten years of practice off stage'. I've learnt a lot during this drama acting.

司徒永羨家長：

很高興永羨能參加《狼來了》的演出，她很喜歡，也學到了很多，感謝老師的教導，並謝謝大家的鼓

旭程有幸參加英語話劇表演且得獎感到非常開心，見證他的努力和上進。
