A Special Memory with My Family

Class: 2A Name: Au Chun Hei

Last Sunday, it was my birthday. So, my mum and dad went to the Ocean Park with me to celebrate my birthday. Why was it memorable to me?

I was very joyful on that day. I like the roller coaster the most, so my mum and dad took me to ride on the roller coaster. We all felt excited.

I like penguins the most. So, my family visit the South Pole Spectacular with me to see the little cute penguins. It was very cold in the venue, so my mum took out a thick coat for me to put it on. I felt very warm.

My parents knew that I like pasta the most. They booked a delicious lunch in an Italian restaurant. I felt the pasta there was yummy. At last, my family took me to the souvenir shop to buy something I like. But I wanted to buy something for my mum instead. I used my pocket money to buy some chocolate for her.

I thanked my mum and dad so much for visiting the Ocean Park with me. When I grow up, I want to have an overseas trip with them.

Last summer, my family and I went to Chimelong Ocean Kingdom for three days. We had a lot of tasty food. We played many different games and swam there. We felt excited and happy.

I love my family so much because I wanted to go to the theme park a long time ago. We ate many seafood in the buffet, such as crabs, shrimps and oysters. Also, I loved the chocolate cake and ice cream very much.

On the second day, we went to play water games and swim in the swimming pool. We rented a big duck shaped water float. I felt comfortable when we slept on it.

On the last day of our trip, we walked around and shopped in the arcade. My mum bought me a beautiful doll dolphin in black, and I named it Dou Dou.

I really thank to my family because I have this wonderful trip. I will listen to them and study hard to my best.

I have a great and warm family. My family love me so much. On my birthday, my mother prepares ballons to celebrate with me. Do you want to know more about my family?

I love my family very much because they always give me presents. On my birthday, my family took me to a beautiful restaurant. We ate a lot. The food was yummy. We were happy.

In the future, I want to take my parents and my grandparents to Ocean Park.

Family is not an important thing. It is everything. I will love my family forever. I will protect and take care of my family.

My special memory with my family is our trip to Thailand. I enjoy the beautiful views and delicious food we share together. I love my family because they work hard to give me the best. They take me to Thailand every year, and I truly appreciate it.

Moreover, I cannot forget the sweetest moments we have together. When they bring my sister and I to Thailand, I get to experience many exciting things.

When I grow up, I want to buy them many things and fulfill their wishes. Thank you, my dearest family. I love you all! The memories we make together are everything to me.

Class: 2D Name: Lam Ho Wang

Nothing is better than going home to family and eating good food and relaxing. I love my four family members. They are my father, my mother and my elder brother. I love to spend time with my family because we love each other.

On Sunday, my family and I go to the swimming pool to swim because we all like swimming. During the holidays, we watch TV at home together. This is our family time. It is so warm to spend time with my family.

The memories we make with our family are everything. The sweetest moment between my family and I was when we went to China in Chinese New Year holidays last year. We went shopping in the malls in China and ate different kinds of Chinese food.

Family is not an important thing. It's everything. I am very thankful to my father and my mother because my father always buys me a lot of toys to play and my mother always takes care of my brother and me. They are the best parents. I will take them to travel all over the world when I grow older.
