Wonderful Friendship

Class: 4A Name: Lam Chung Yan

Friendship is important as it helps us support each other. A good friend provides assistance during difficulties, and friends always play together and share everything.

My best friend is Elise. She excels at Taekwondo and drawing beautiful pictures. Her favorite subject is PE, and she enjoys eating salads and fruits, which contributes to her being very healthy. I consider Elise my best friend because when I am sad, she comforts me.

Recently, Elise and I took the MTR to her home when suddenly, the train stopped. I carelessly dropped my wallet from my pocket, but I didn't realize it. Fortunately, Elise reminded me to pick it up.

I feel very grateful to have this wonderful friend in the world! Who is your best friend?

Dear friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God (1 John 4:7). I love my friends because Jesus loved me first. Besides Jesus, I treasure every friendship around me. Friendship is very important; throughout our lives, we meet many friends, but who is your real best friend on Earth? My best friend is Sandy.

Sandy is my best friend because she is kind. She lives on the top floor, right beside me. She is 152 centimeters tall and weighs 36 kilograms, making her quite light. She enjoys playing board games and doing ballet, and she loves PE class. We share a liking for the color pink, but she is taller and healthier than I am.

Three years ago, we went on a picnic when suddenly, a dog ran toward me, wanting to bite me. I was so scared, but Sandy did not run away; she bravely stood in front of me to protect me. I was very grateful to her for standing up for me that day. Truly, "a friend in need is a friend indeed."

How about you? Besides our best friend, Jesus, who is your best friend in daily life? What memorable moments can you share with me?

Wonderful Friendship

Class: 4B Name: Pan Yining

I cherish my friendship with my friends. Lisa is my best friend. She is tall and fat. She is amicable too. We often play together in our spare time.

Lisa is kind to me. I feel happy when we hang out together, though my personality is quite different to her. Lisa comes from Hunan while I am from Yunnan. I love noodles but Lisa prefers rice. My favourite drink is Coca-Cola, but it is not her cup of tea.

Both of us like autumn because the weather is perfect. We go to the park to see the fallen leaves and take photos in autumn. The scene is magnificent.

There was a memorable experience we both shared together. It happened when we went to Sihai Park in Shenzhen last year. When we were chatting for a while, we witnessed a very beautiful sunset. That day was the happiest day for us.

As Romans 12:10 stated that 'Love one another with brotherly affection. Outdo one another in showing honor.'

Class: 4C Name: Kwan Hei Tung

Mido is my best friend. We have a wonderful friendship with each other.

I treasure our friendship very much!

Mido's favourite subject is Visual Arts. She is good at drawing. She likes drawing cartoons. She won some prizes in the drawing competitions. Also, she loves sports and singing. Most importantly, she is an honest person.

Why is Mido my best friend? She teaches me how to draw. I love drawing now. Sometimes, we do exercises together in the park in Tuen Mun.

Moreover, she is the most cheerful person. When I feel upset, she will sing a song to cheer me up.

As she is good at Chinese, she often helps me with my Chinese writing because I am weak in Chinese. Even so, she always shows her respect to me. In return, I can teach her English. All in all, I cherish our friendship.

I believe that 'A friend in need is a friend indeed!'

My best friend is David. He is my best friend because he teaches me the English homework. He lives in On Ting Estate. He likes playing football. He likes Blox fruit. He likes English. He likes eating spaghetti and drinking cola.

We are all good at English. My performance in Maths is better than his.

One day, one of my classmates fought with me. David helped me tell the teacher about this. My teacher believed in me and helped me solve this problem. I thank David for helping me very much

As what R. G. Risch stated, 'Respect is a two-way street, if you want to get it, you've got to give it.'

Class: 4E Name: Ng Man Ho

My best friend is Ivan, I cherish my friendship because we have memorable moments.

We can always meet because we live close to each other. Also, we both love Pokemon. We always talk about the games after school happily. We also share the favourite season: autumn as we were both born in autumn. Of course, we have got something different. He loves English but I love all the subjects! I am eating quite healthily but he enjoys eating junk food.

We have nice memories together. Its when we went to watch movies in the cinema. We have similar taste in movies as we both enjoy action ones. They are so exciting.

'A friend in need is a friend indeed'. Though we seldomly need each other's help, we enjoy every moment when we hang out.
